

## Tuva or Bust!

For all countries except Tuva use the common English name of the most modern sovereign state. For instance, for West and East Germany use Germany, and for the Soviet Union use Russia. Consider China and Taiwan to be independent sovereign states.

--- A: X is immediately next lower in population than Y -->  
<-- B: X and Y both forced a ruler from power during the Arab Spring -->  
<-- C: X and Y are both split into two pieces by an important ship canal -->
